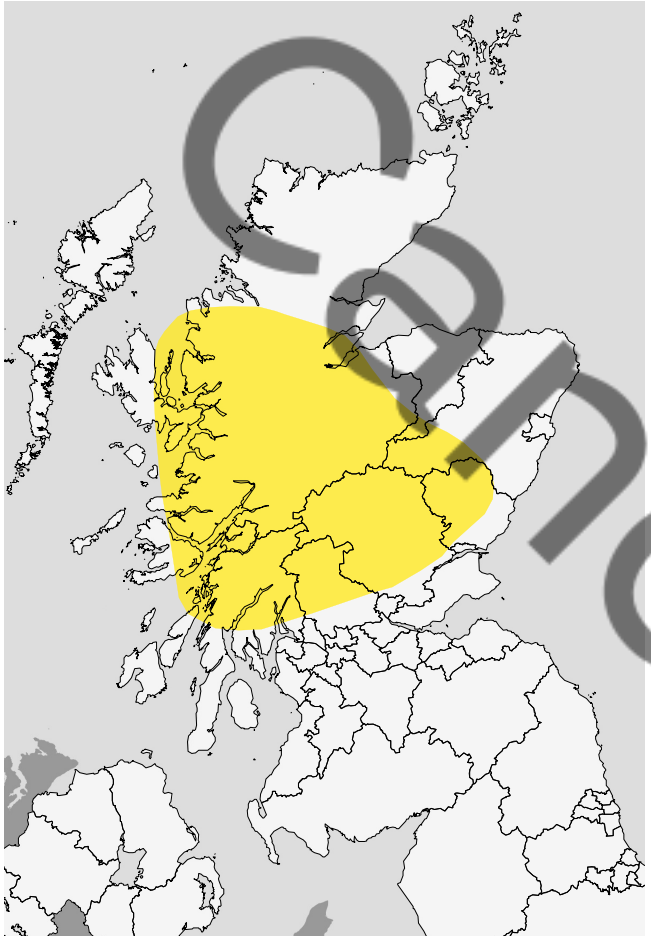
Yellow warning
Rain

Between
09:00 Fri 8 Feb 2019 and
15:00 Sat 9 Feb 2019



Heavy rain could lead to some flooding across parts of Scotland.

What to expect

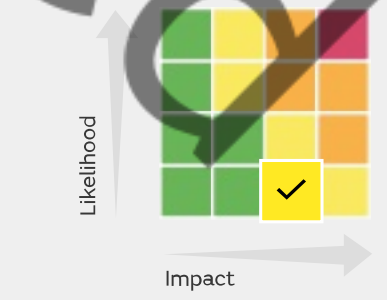
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Rain will spread east early on Friday, gradually becoming persistent and heavy, especially over high ground. Rain will clear to the east in the evening, but with frequent heavy showers following. Expect 20-30 mm of rain widely across the area, with up to 60 mm over high ground. Melting of snow will contribute to the risk of flooding.

Reason for cancellation

Heavy rain and showers now cleared.



Very low likelihood of medium impacts
